# WHY WE RIDE

Since 2014, Canucks Autism Network (CAN) has offered programs in Kelowna for individuals on the autism spectrum and their families.

Programs in Kelowna are only made possible with the support of the community, and fundraising events like the Kelowna Ride for Autism.

All funds raised through the Ride will go directly towards helping Kelowna families thrive, and will be generously matched by the Stober Foundation, who have been unwavering in their support of CAN, the people of Kelowna, and communities beyond.

This year, **1 in 25 children** and youth in BC will be diagnosed with autism. A donation to CAN makes Kelowna a kinder and more inclusive place.

Thank you for your support!
